Microdermabrasion Add Algo

\$120

\$140

Is a skin-freshening technique that helps repair facial skin that takes a beating from the sun and the effects of aging. Our Esthetician uses a device like a fine sandblaster to spray tiny crystals across the face, mixing gentle abrasion with suction to remove the dead, outer layer of skin. As with other skin rejuvenation techniques, more than one treatment may be needed to reduce or remove fine wrinkles and unwanted pigmentation.

Back Facial

\$70

A superb cleansing and relaxing treatment to free the back from impurities and smooth the skin.

Gentleman Toning Facial

\$75

A virtual workout for the face, this men's facial includes cleansing with our all-natural skin care products, exfoliation, pore extraction, hydration, a finishing mask, and microcurrent facial toning that stimulates facial muscles while improving lymph and blood circulation in the skin. Gentleman Toning Facial nourishes the skin with vital nutrients and helps to promote the production of elastin and collagen, resulting in a younger and fresher look.
